1/13 Illawong Street Chevron Island QLD

2 2 2

Previously the managers apartment, this spacious property includes an amazing private East facing wraparound courtyard and a living area soaked in natural light with an abundance of shuttered windows. The well designed floorplan separates the master and second bedroom and features new flooring including herringbone tiles to the hallway and timber floors throughout the rest, adding to the warm and homely feel of the apartment.

Investors, downsizers and first time buyers will love the appeal of this immaculately apartment featuring Surfers Paradise skyline views, in the quiet and very well maintained and pet friendly Solitaire on Chevron which homes only 12 units and includes swimming pool, security to entrance, each building and basement.
